# SMOKE FREE POLICY (NSW)

## Hills District JRLFC&TA Inc. & Baulkham Hills OzTag

---

### RATIONALE

Hills District JRLFC&TA Inc. & Baulkham Hills OzTag recognises that:

- Environmental (second-hand) tobacco smoke is a health hazard and that non-smokers should be protected from it.
- Role modelling can have a significant impact upon the junior members of the club.
- Smoke free areas make smoking less visible and less socially acceptable.
- Smoke free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption.
- Outdoor smoke free areas help to reduce the amount of cigarette butt litter (reducing clean-up costs, fire risk and children's health risk due to swallowing discarded butts).
- Smoke free environments are advantageous in attracting new members as well as positively promoting the club in the community.

NSW legislation (Smoke-free Environment Act 2000) also bans smoking in spectator areas for the duration of the sporting activity at:

- Public sports grounds
- Local council playing fields
- Major sporting facilities.

Accordingly, the following policy shall apply to all members, administrators, officials, coaches, players, spectators, visitors and other volunteers and/or or staff of the club.

### GENERAL

- Cigarettes and other tobacco products will not be sold, including from vending machines, at any time at or by the club.
- Coaches, players, officials and volunteers will refrain from smoking while involved in an official capacity for the club, on and off the field.
- No images of club volunteers, members, officials, coaches and players smoking at club-related activities are to be placed on social media.

### SMOKE FREE AREAS

The Hills District JRLFC&TA Inc. & Baulkham Hills OzTag requires the following areas of the club's Crestwood Fields 1, 2, 3 & Charles McLaughlin Lower Basin to be smoke free:

- All indoor areas
- All outdoor playing/training areas
- All spectator areas (standing and seated, covered and uncovered)

- All canteen, catering and eating and drinking areas

Smoke free areas will be signed (where possible) and promoted in club materials. A designated smoking permitted area is located behind the club house, Peel Road.

## FUNCTIONS

- Club functions, including social and fundraising events and meetings, held at club facilities are to be smoke free.
- Club functions, including social and fundraising events and meetings, held away from club facilities are to be smoke free wherever possible.
- If provided, smokers may only smoke at outdoor designated smoking areas and are to dispose of cigarette butts safely before entering facilities.
- Invitations and advertising for functions, meetings and events will be promoted as smoke free.

## NON-COMPLIANCE

All club committee members will enforce the smoke free policy and any non-compliance will be handled according to the following process:

- Explanation of the club policy and the NSW tobacco laws to the person/people concerned, including identification of the areas in which smoking is permitted
- Continued non-compliance with the policy should be handled by at least two committee members who will use their discretion as to the action taken, which may include asking the person/ people to leave the club facilities or function.

## POLICY PROMOTION

The club will promote the smoke free policy regularly by:

- Putting a copy of the policy in club newsletters and printed member/player information and on the website.
- Promoting positive smoke free messages through the club's social media.
- Displaying a copy of the policy in the club social rooms.
- Periodic announcements to members at functions.
- Placing non-smoking signage in prominent locations both indoors and outdoors.

The club recognises the importance of educating club members, particularly players, of the benefits of implementing a smoke free policy and will endeavour to provide information to assist this process.
