

2023 RUGBY LEAGUE SPONSORSHIP PROPOSAL

HILLS BULLS FOOTBALL CLUB

Your opportunity to join a **WINNING TEAM** in 2023

The 'Hills Bulls'

Over a few beers at the Bull & Bush Hotel in Baulkham Hills, the Hills Bulls name and legend was born.

The club's inaugural season was 1964 and for over 50 years, hundreds of dedicated volunteers and sponsors have delivered the Hills Bulls mission statement and spirit:

"We will provide the opportunity for any child or young person, irrespective of ability or background, to learn the game, play the game and love the game".

The Club continues to expand and develop, now enjoying a well-earned reputation as one of the largest, most progressive and innovative Junior Rugby League Clubs in the greater Parramatta, Hills District and NSW.

Over many years, the Club has grown to become a strong member of the local community and our commitment to provide the best possible environment for our juniors, youth, women and senior teams is second to none. Our Rugby League, Oztage and League Tag development across all levels and all age groups is consistently growing stronger.

Club Profile

- 34 Rugby League Teams
- 650 Junior and senior RL players
- 3,500 Oztage Players
- 6 Girls League Tag Teams
- 1,200 senior social touch football players
- Over 100 League Tag players
- More than 7,000 players, officials and parents
- NSWRL Ron Massey & Sydney Shield teams

Some Key Numbers to Think About...

- 1,500 jerseys/shirts with brand exposure
- 3,500 Oztage t-shirts with brand exposure
- 7,000 parents and thousands of families reached through brand awareness
- Yearbook to 650 Families

Current Projects

Moving into 2023, the Club continues working towards its major and largest project for renovations and expansion of the Club House based at Crestwood including;

- Update Level 1 Club House
- First aid room
- Gymnasium
- Multi-purpose function room
- Improved and larger storage room
- Mini Bulls Rugby League Clinic
- Bulls Academy
- The continued growth of women in League
- Additional playing grounds

This project is highly dependent on our relationships with our sponsors and the local community.

In addition to this major project, our regular program of junior clinics, Oztage, League Tag and League representatives, presentation days, player training clothing and equipment over the regular seasons requires a large and necessary investment by the Club.

Marketing and Branding Opportunities

Unlike other football clubs, the Hills Bulls is not financially supported by a licensed Club and therefore relies heavily on community sponsorship and fundraising for much needed funds to continue to exist and grow.

As a part of your sponsorship investment, it will soon be evident that as well as being a very cost effective medium to expose your brand this sponsorship is a form of social investment in an important community program that brings compelling benefits to both the community and the participants. In addition, your sponsorship investment will have a significant effect in underwriting the future of the Hills District JRLFC.

Benefits and Exposure

The benefits and exposure available to you as a sponsor/advertiser with the Hills Bulls Sports Club all of which are recoverable costs and could play a vital supporting role as you attempt to:

- Maximise returns on investment
- Increase business growth
- Increase brand awareness
- Continue to gain positive community recognition

The benefits participating sponsors will enjoy are:

- Involvement in the community
- Confidence that sponsorship makes a difference
- Sponsorship that is tax effective
- Sponsorship that delivers a real community benefit

In turn, your investment will ensure that the Hills Bulls Sports Club continues to develop the potential of local junior rugby league players for decades to come.

Brand Awareness

There are a number of opportunities for potential Hills Bulls Sports Club sponsors for the 2023 season.

HBSC provides numerous opportunities to promote your business to the wider market of the Hills District and beyond through sponsorship packages.
